Professional Summary

Computer Science Engineering student with expertise in Java, Python, Full-Stack Development, and Cloud Computing. Experienced in developing AI-powered applications and web solutions using Spring Boot, Flask, and REST APIs. Strong foundation in Data Structures, OOP, DBMS, and Software Development.

Internship Experience

Full Stack Developer Intern , <i>Techvolt Sokware Pvt. Ltd.</i>	06/2025 – 08/2025 Coimbatore
- Developed responsive web applications using HTML, CSS, JavaScript, Bootstrap, and Spring Boot. - Implemented REST APIs, database integration, testing, and debugging for web applications. - Collaborated with the development team throughout the software development lifecycle.	

Education

B.E. Computer Science & Engineering , <i>Sri Ramakrishna Institute of Technology, Coimbatore</i> Specialization (Honors) in Alibaba Cloud Computing CGPA: 8.46	2023 – 2027 Coimbatore
Higher Secondary Certificate (HSC) , <i>Sri Vidya Mandir Matric. Hr. Sec. School, Dharmapuri</i> Percentage : 90%	2022 – 2023 Dharmapuri

Technical Skills

Programming Languages

Java, C, Python

Web Technologies

HTML5, CSS3, JavaScript, Bootstrap

Databases

MySQL, PostgreSQL

Projects

Smart Bin – AI-Powered Waste Segregation Robot , <i>Python · ROS · IoT · Sensor Integration</i>	2025
- Designed an AI-based system for automatic waste classification and segregation. - Enhanced operational sustainability through an energy-efficient waste segregation approach.	
Image Recognition Chatbot , <i>Python · Computer Vision · REST API</i>	2024
- Built an AI-powered chatbot for image analysis and automated response generation. - Implemented a Flask-based web application with image upload and real-time image processing.	

Certifications & Achievements

- Smart India Hackathon 2024 Finalist – Image Recognition Chatbot
- AWS Solution Architecture Job Simulation (Forage)
- NPTEL Certified – Google Cloud Computing | Design Thinking: A Primer | Intellectual Property
- GUVI – Fundamentals of Generative AI
- Chief Executive Member – AR/VR Club
- Participated in Code-O-Clock 24-Hour Hackathon (2024 & 2025)
